

WITI
WOMEN IN TECHNOLOGY
SUMMIT

VISIONARIES DESIGNING TOMORROW'S TECH MARKETS & CULTURES TODAY

The most important event for women in technology returns to Silicon Valley, June 10-12, 2018 at the DoubleTree by Hilton in San Jose. At WITI's 24th Annual Women in Technology Summit, executives, entrepreneurs, and technology thought leaders from around the world converge to build, empower and inspire the future of technology and business.

Explore new business opportunities that underscore how technology is powering change; collaborate with your peers on innovative solutions to a variety of common business challenges; build and expand strong connections in a welcoming environment of women and men committed to each other's success.

THIS YEARS' SPEAKERS INCLUDE:

- Neeru Khosla
- Minette Norman
- Beena Ammanath
- Raejeanne Skillern
- Rhonda Childress
- Renee McKaskle
- Sara DeWitt
- Katie McMahon
